NO MARBLE

GUARANTEE

Billiani s.r.l. guarantees the good quality of goods sold, free of any defects or manufacturing faults. The guarantee relates to the mechanical and structural resistance of goods supplied, and to the quality of finishing to the woodwork, and accuracy in the use of materials applied. The guarantee applies from the date of delivery of the goods and lasts 24 months under these stated conditions. The manufacturer's guarantee does not extend to covering improper use of the goods. Similarly excluded are any defects in the fabrics applied, variations in wood stain or lacquer applied, transport damage, and local conditions which do not conform to normal product usage. The Buyer should check all goods upon receipt. No complaint for appearance defects can be considered if it is not discussed with the delivery driver and specifically noted on the delivery note given to the transporter when the goods are collected. Any complaints must be communicated in writing to Billiani s.r.l. within 8 days of receipt of the goods in cases of obvious defects or wrong item/finish; or within 8 days of their discovery as long as this falls within the 24 months of delivery. The complaint needs to state clearly the nature and gravity of the defect and be supported by photos which show the defect. Non-compliance with the above rules or the mishandling of the goods will invalidate the complaint and the guarantee will become null and void. In cases of complaints or non-conformity acknowledged by Billiani s.r.l., the latter may, at their choice, repair the goods, replace them, or make a full or partial refund of the price paid by the purchaser. In no case can the reimbursement of money paid to the Purchaser exceed the price paid for the defective goods.

RETURNS

Any returns need to be expressly authorised by Billiani s.r.l. The condition of the goods will be examined carefully by the factory upon their return and, in the case of damage adjudged not to be Billiani's fault, the value of the individual items will not be refunded. If the original packaging materials are not used, or thoroughly adequate alternative packaging materials, resulting in damaged goods, Billiani s.r.l. will regrettably be obliged to deduct from any refund the cost of repairs.

COMPETENT COURT

For every dispute, the Court of Udine will adjudicate.
