PAGAMENTI

I pagamenti non possono essere sospesi neanche in caso di contestazione. Le merci rimarranno di proprietà della Billiani s.r.l. fino al loro completo pagamento. Billiani s.r.l. si riserva il diritto di sospendere le consegne in ogni caso di inadempienza, anche parziale, da parte dell'acquirente rispetto ai termini di pagamento pattuiti.

GARANZIA

Billiani s.r.l. garantisce la buona qualità dei prodotti venduti, esenti da difetti relativi a materiali e fabbricazione. La garanzia riguarda la resistenza meccanica e strutturale della seduta; la stabilità della verniciatura e l'esatta corrispondenza nei materiali utilizzati. La validità della garanzia decorre dalla data di consegna delle merci e resta in vigore per 24 mesi alle condizioni di cui alla presente clausola. La garanzia prestata non si estende a quei difetti che siano emersi a causa dell'uso improprio dei prodotti; sono altresì esclusi i difetti nei rivestimenti tessili, da trasporto e da condizioni ambientali non consoni ad un normale utilizzo dei prodotti. All'arrivo della merce il Compratore è tenuto ad esaminare i prodotti. Nessun reclamo per quantità difformi consegnate potrà essere considerato se non contestato immediatamente al vettore ed evidenziato sul Documento di Trasporto rilasciato all'atto di ritiro della merce. Eventuali contestazioni devono essere comunicate per iscritto alla Billiani s.r.l. entro 8 giorni dal ricevimento della merce se riguardano difetti palesi o non conformità, o entro 8 giorni dalla loro scoperta se riguardano difetti occulti, purchè entro 24 mesi dalla consegna. Il reclamo deve specificare la natura e la gravità del difetto, ed essere corredato da fotografie che evidenzino il difetto stesso. L'inosservanza delle regole su indicate, così come la manomissione della merce, comporterà l'inefficacia della contestazione e la decadenza dalla garanzia. In caso di difetti o non conformità riconosciuti da Billiani s.r.l., quest'ultimo potrà, a sua scelta, riparare la merce, sostituirla o rimborsare una parte del prezzo pagato dal Compratore. In nessun caso l'indennizzo in denaro dovuto al Compratore, potrà superare il rimborso del prezzo pagato per la merce difettosa.

RESI

Eventuali resi dovranno essere preventivamente autorizzati da Billiani s.r.l. Lo stato di conservazione della merce sarà da noi attentamente verificato al rientro della stessa e, in caso di danni a noi non imputabili, non verrà riconosciuto il valore dei singoli elementi. Qualora per mancanza dell'imballo originale (o imballo atto a preservare l'integrità della merce) la merce risultasse danneggiata ci vedremo costretti nostro malgrado a detrarre dalle spettanze le eventuali spese di riparazione che si rendessero necessarie.

FORO COMPETENTE

Per ogni controversia sarà competente il Foro di Udine.

SALES CONDITIONS

VALIDITY

This price list cancels and replaces all previous. Billiani s.r.l. reserves the right to make any amendments at any time, as necessary, without giving any prior notice.

PRICES

The prices listed are gross per unit excluding VAT and can be changed by Billiani s.r.l. at any time, without giving any prior notice. All prices are ex-works unless clearly specified by sales terms.

ORDERS

Orders need to show clearly the quantity required, the item code, the wood or metal finish and the upholstery. The number of pieces contained per package is stated on this pricelist. Orders can only be dispatched in the stated package quantities or in multiples thereof. Cancellations cannot be accepted more than 8 days from original order transmission, however they were placed. The order is processed by Billiani s.r.l. only upon receipt of our order confirmation stamped and signed by the customer. The acceptance of orders is always subject to approval by Billiani s.r.l.

FINISHES

Wood being a natural material, slight differences in finish may be visible on the various components of any individual product, or between finished pieces of a single order. The fabric and leather colors in our swatch are shown only as a guide as it is technically impossible to ensure color shades 100% over time and in varying batches. Such differences must not constitute the reason for complaints or return of goods.

CUSTOMER OWN MATERIAL (C.O.M.)

The fabric requirement shown as CS for each item refers only to fabric in a width of 140 cm, no pattern and defect-free. Customer supplied materials must arrive at Billiani s.r.l. carriage paid with their identifying description, quantity supplied, and the order number and model for which they are to be used. Customer supplied fabrics are subject to feasibility approval by Billiani s.r.l. and a 1.5 linear meter sample piece may be required to check suitability on the finished product, a surcharge might be required to center the pattern of a com upholstery material or to split upholstery using two or more fabrics on a single item. A suitable and detailed delivery note or fabric order confirmation/invoice must accompany the delivery and materials will not be opened or processed without such documentation. Billiani s.r.l. reserves the right to confirm fabric requirements for bespoke jobs as these may arise. The use of a fabric which is not 1.4 usable meters wide or with fancy, flowered or striped patterns is dependent on Billiani S.r.l.'s specific acceptance and on the supply of additional material over the price list stated quantity. Acceptance of customer's own fabric or leather relates only to the making up of the finished product and never to its durability or suitability in use. Billiani s.r.l. declines any responsibility relating to upholstery work completed with customer supplied materials. Billiani s.r.l. advances in good faith customs charges when receiving customer fabrics. These charges are then invoiced to the dealer who has sent the fabric. In the case of disputes or fabric received that is then insufficient or damaged or sent incorrectly, the sending dealer is still required to pay all customs charges to Billiani s.r.l. Goods will not be released until related customs charges have been reimbursed to Billiani s.r.l.

IMPORTANT NOTE

Discolouring of materials supplied by Billiani s.r.l. due to contact with users' clothing (jeans or colored garments) cannot be considered a manufacturing defect or quality flaw and is therefore excluded from any guarantee. Billiani s.r.l. suggests the choice of dark colors for leather and faux leather. Billiani s.r.l. is in no way responsible for customer supplied materials, any defects and technical problems they may have, nor for any possible defective reactions to the upholstered product.

TABLES

Billiani s.r.l. guarantees the quality of its table collections only when sold as finished products. We have no responsibility for the sale of single parts or for any component assembled on third parts products.

PAYMENTS

Payments cannot be delayed in the case of complaints. Goods remain the property of Billiani s.r.l. until their full payment. Billiani s.r.l. reserves the right to suspend supply in any case of non-compliance, even if partial, with payment conditions as agreed with the buyer.

GUARANTEE

Billiani s.r.l. guarantees the good quality of goods sold, free of any defects or manufacturing faults. The guarantee relates to the mechanical and structural resistance of goods supplied, and to the quality of finishing to the woodwork, and accuracy in the use of materials applied. The guarantee applies from the date of delivery of the goods and lasts 24 months under these stated conditions. The manufacturer's guarantee does not extend to covering improper use of the goods. Similarly excluded are any defects in the fabrics applied, variations in wood stain or lacquer applied, transport damage, and local conditions which do not conform to normal product usage. The Buyer should check all goods upon receipt. No complaint for appearance defects can be considered if it is not discussed with the delivery driver and specifically noted on the delivery note given to the transporter when the goods are collected. Any complaints must be communicated in writing to Billiani s.r.l. within 8 days of receipt of the goods in cases of obvious defects or wrong item/finish; or within 8 days of their discovery as long as this falls within the 24 months of delivery. The complaint needs to state clearly the nature and gravity of the defect and be supported by photos which show the defect. Non-compliance with the above rules or the mishandling of the goods will invalidate the complaint and the guarantee will become null and void. In cases of complaints or non-conformity acknowledged by Billiani s.r.l., the latter may, at their choice, repair the goods, replace them, or make a full or partial refund of the price paid by the purchaser. In no case can the reimbursement of money paid to the Purchaser exceed the price paid for the defective goods.

RETURNS

Any returns need to be expressly authorised by Billiani s.r.l. The condition of the goods will be examined carefully by the factory upon their return and, in the case of damage adjudged not to be Billiani's fault, the value of the individual items will not be refunded. If the original packaging materials are not used, or thoroughly adequate alternative packaging materials, resulting in damaged goods, Billiani s.r.l. will regrettably be obliged to deduct from any refund the cost of repairs.

COMPETENT COURT

For every dispute, the Court of Udine will adjudicate.
